# SCHOOL OSH Policy

We recognize our responsibilities in shaping the values of future generations and aim to ensure our sustainability as a school through proactive leadership in the protection of human health and safety and preservation of our surrounding environment. Therefore, we are committed to:

- promoting a culture of responsibility and accountability toward protection of the environment and human health and safety.
- minimising environment, health and safety impacts, hazards and risks arising from our activities and operations.
- promoting awareness and encouraging participation through effective communication and consultation with staff, students, contractors and concerned stakeholders.
- providing on-going training in relevant environment, health, and safety issues.
- preventing injury, ill health, and environmental pollution.
- enhancing the health and wellbeing of our staff and students.
- complying with all relevant EHS legislation.
- providing adequate resources to maintain a sustainable, healthy, and safe environment.
- preserving and improving the cultural, natural, and built environment in which we operate; and
- achieving continual improvement of our EHS performance.
- Comply with all the Health and Safety, COVID – 19 protocols issued by ADEK and legal authorities.

This policy applies to all school employees, students, contractors, and visitors and is readily accessible to all interested stakeholders.
